

**Amendments to the Drawings:**

Attached Figure 1 is labeled as --Prior Art--.

**REMARKS**

Reconsideration and allowance of the subject application in view of the foregoing amendments and the following remarks is respectfully requested.

Claims 1-11 remain pending in the application and claims 1-11 have been amended.

Applicants appreciatively note that claim 1 was indicated to be allowable if rewritten to overcome the rejection under 35 U.S.C. 112, second paragraph and claims 2-11 would be allowable if rewritten to overcome the rejections under 35 U.S.C. 112, second paragraph, and to include all of the limitations of the base claim and any intervening claims.

The Examiner notes that Figure 1 should be designated by a legend such as --Prior Art-- because only that which is old is illustrated. Figure 1 has been designated as --Prior Art--. Therefore, this objection should be withdrawn.

Claims 1-11 stand rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicants regard as the invention. In response, claims 1-9 have been amended and all claims are now believed to be definite. Accordingly, this rejection should now be withdrawn.

Regarding claim 6, "the signal" refers back to claim 4. Regarding claim 7, "the signal" refers back to claim 4. Accordingly, this rejection should be withdrawn.

All objections and rejections having been addressed, it is respectfully submitted that the present application should be in condition for allowance and a Notice to that effect is earnestly solicited.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including

extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,
